Professional Summary

Experienced Lead Software Engineer with over 9 years of proven success in designing, developing, and managing full-stack web applications across diverse industries including EdTech, FinTech, and enterprise solutions. Adept in software architecture, system design, and backend development using PHP (Laravel, CodeIgniter), JavaScript frameworks (Angular, jQuery), and MySQL/PostgreSQL/MongoDB. Demonstrates strong leadership in guiding cross-functional teams, conducting code reviews, mentoring junior developers, and ensuring best practices in agile environments. Proficient in RESTful API development, CI/CD pipelines, version control (Git), and DevOps tools like Docker and Jenkins, contributing to streamlined deployments and scalable infrastructure..

Technical Skills

- Languages: PHP, JavaScript, NodeJs, HTML5, CSS3, MySQL
- Frameworks: Laravel, CodeIgniter, Angular, jQuery
- Databases: MySQL, PostgreSQL, MongoDB
- Version Control: Git
- Tools: Docker, Apache, Nginx, Postman, Composer, VsCode, Android Studio, Rancher Desktop, MySql Workbench, HeidiSql, Sublime Text, Bitbucket, Jenkins, JIRA, Putty
- CMS: WordPress, Joomla
- Other: RESTful / SOAP API development, Agile methodologies, Jira, CI/CD

Professional Experience

Airpay Payment Services | Mumbai | April 2026 – Present

Team Lead

- Lead a cross-functional team of software engineers in designing, developing, and maintaining secure, scalable payment solutions and fintech platforms.
- Drive end-to-end software delivery by collaborating with Product Managers, QA, DevOps, and business stakeholders to ensure timely releases.
- Design scalable backend architectures and RESTful APIs using PHP (Laravel), and MySQL, ensuring high availability and performance.
- Mentor developers through code reviews, pair programming, technical guidance, and adherence to coding standards and best practices.
- Identify and resolve application performance bottlenecks by optimizing database queries, API response times, and backend processing.

LearningMate Solutions | Mumbai | July 2022 – March 2026

Technical Lead

- Lead a small team of developers in designing and implementing educational & aggregator platforms using Laravel and Angular.
- Built and optimized scalable REST APIs and Single Sign-On systems using third party plugin tools like MiniOrange SSO .
- Worked on Learning Management Systems (LMS) like Canvas, including LTI 1.1 integration to enable seamless third-party tool interoperability and secure content exchange within the platform

Samco Securities | Mumbai | April 2020 – July 2022

Senior PHP Developer

- Developed robust stock market onboarding systems, HRMS, and CRMs using CodeIgniter and MySQL, tailored to meet complex business workflows and regulatory requirements.
- Integrated multiple third-party APIs (such as KYC, payment, and analytics services) and implemented secure authentication mechanisms to ensure data protection and seamless user experience.
- Optimized backend logic and complex database queries, significantly improving system performance, scalability, and application uptime under high user load.

PHP Developer

- Developed and maintained Joomla-based HRMS and manpower tracking systems, customizing components and modules to support organization-specific workflows and reporting needs.
- Built cross-platform mobile and desktop applications using Cordova and Electron, leveraging technologies like PHP, MySQL, JavaScript, jQuery, and Joomla to deliver responsive, lightweight solutions for workforce management.

Technical Achievements

Automatic Bike Fall Detection System

Patent Application No.: IN201621024080

Designed and developed a system capable of detecting sudden bike falls or accidents using embedded sensors, triggering automated emergency response alerts. The system enhances road safety and rapid accident assistance, particularly in remote or low-traffic areas.

Education

● **Bachelor of Engineering in Computer Science**

Dilkap Research Institute of Engineering and Management Studies, University of Mumbai
2012 – 2016

● **Higher Secondary Certificate (HSC)**

Rizvi College of Arts, Science, and Commerce, University of Mumbai
2010 – 2012

● **Secondary School Certificate (SSC)**

Our Lady of Good Counsel High School
Completed in 2010
